## ABOUT US

A seasoned and respected provider of technology-enhanced information management, cybersecurity, systems engineering and enterprise architecture services, headquartered in Alexandria, VA.

**World Services LLC** is an 8(a) certified and Service-Disabled Veteran-Owned Small Business (SDVOSB) that delivers a range of innovative, customer-centric technical support for large-scale transitions and incremental transformations of legacy systems.

World Services has an experienced and talented team of cybersecurity professionals, system engineers, solution and enterprise architects, software developers, and project managers to support the most demanding needs of our federal and commercial clients. World Services has a history of conservative fiscal management that has earned us a strong reputation for exceeding our financial obligations in a timely manner. Our processes reflect over 35 years of management experience in supporting federal and commercial clients. Our accounting system is aligned with the Defense Contract Audit Agency (DCAA) and our staff demonstrates expertise in managing a diverse range of Federal, State and Local contracts.
